

2026-2027 Woodman School Grade 6 – Suggested Student Supply List

The following is a suggested list of supplies that students would need throughout the school year. It is not required that students come to school on the first day with all of these items. Families are encouraged to recycle materials from previous years. Those who are unable to bring their own suggested supplies will be provided them by the school. Please ensure that personal supplies are well labelled with the student name and grade.
