

Empowering Students
to Prepare them for
the Future(s) through
CTF Programming
Across the CBE

Calgary Board
of Education

OUR PROGRAM

SKILLS EXPLORATION DAYS

SOME CONSIDERATIONS

- A very popular program: we need to cap our enrollment at 150 students every semester (300 students/year).
- A blend of old machines and newer machines.
- There have been no significant enhancements in years.
- It is a self-maintained program.
