

Woodman School

Principal:

Ms. Marlene Krickhan

Assistant Principal

M. Brian MacCarl

February 8, 2024

Dear Parent/Guardian,

Woodman School will be participating in an online school perception survey for students called the CBE Student Survey. Please find the details of the survey implementation below.

Who: Students in grades 5, 6, 8, and 9

When: Monday February 12, 2024

Where: In class, during students' regularly scheduled Math/Science class

About the CBE Student Survey

- Allows students to voice their feedback on their experiences at school, the school environment and school improvement programs.
- Based on their feedback, students have the opportunity to be involved in action plans fostering increased student engagement.
- The survey should take about 60 to 80 minutes to complete.

The CBE Student Survey is an opportunity for students to:

- report on themselves, their own abilities and their accomplishments; and
- take pride in what they have achieved.

In alignment with CBE's Education Plan, the results are used in school and district reports to demonstrate that students are:

- at the centre of all CBE decisions;
- able to integrate and apply the knowledge, skills, attitudes and competencies they are acquiring across all academic disciplines; and
- demonstrating Citizenship, Personal Development and Character in and through learning.

If you have questions or would like to request more information about the upcoming implementation of the CBE Student Survey, please contact the School.

Sincerely,

Brian MacCarl

Assistant Principal
